*April 2024*

Greetings to you in the precious name of Jesus our risen Savior!

Let us never forget the great blessing of our Christ rising from the dead. Indeed we celebrate this every Sunday, hopefully though you had a great Resurrection Sunday.

God is at work in the hearts and lives of the people of Sri Lanka and you are a partner with us in this ministry effort. Please remember all our coworkers in your prayers, these prayers will not go unheeded by our great, powerful, and loving God.

I have placed a few pictures of the exhibition at the Onthachimadam church this last month. I received about 30 pictures but for lack of space could only include a few for you to see and enjoy.

We thank God for you and pray that you are allowing God to use you where you are for His glory.

Just so you will know I am planning to return to Sri Lanka in June for three weeks.

It has been eight years since I've been able to go and see the ministry and my kids. More on this another time.

Because of Christ,

Steve, Niranjana and Sona

## **NEWS FROM NIRANJANA**

Dear Brothers and Sisters in Christ,

God has graced us to pass within the 4th month of this year. There has been a decrease in the prices of some essential commodities in Sri Lanka for a few days. But in some no changes have taken place. The value of the dollar has also depreciated.

During this period, it has been observed that many people from Sri Lanka went to Western countries either as families or alone. Doctors, engineers, teachers, wealthy and even poor wage earners in Sri Lanka have been leaving their professions and selling their belongings

to go abroad. It is said that there is the chance of changes in politics this year.

But you and I as the children of God have to pray without ceasing and faithfully for the nation. Our God Himself can completely change the circumstances, and everything is in His hands. He rules over everything. We trust Him wholeheartedly, as He is in control of all our circumstances.

### **TIMES OF PRAYER BRING GREAT BLESSING**

Fasting and prayers were organized in each of our Christian churches in Sri Lanka this past month.

The Believers of the churches participated enthusiastically and prayed for the nation of Sri Lanka, for the villages, cities and people of the country to repent and be saved. God has done great things.

Through these prayers the unbelievers also participated and realized the love of God. It was a great blessing to the churches.

### **REMEMBERING GOD'S LOVE AND POWER**

A Bible exhibition was organized the last part of March by the Onthachimadam Christian Church to remind us of the things that Almighty God has done. There were many Sunday school students, believers and school students were able to visually understand the events of the Bible.

This exhibition was well organized by the pastor's family, Sunday school teachers and believers of the church. It was held for 5 consecutive days. More than 600 people participated. Through this, many were benefited and God's name was glorified.
